- No personal interaction. Very dry. Sorry! After break much better-had intonation. Repeat of last year-already know these steps. May want to do a survey of who was here before. Know your audience. An introduction of each other would have been nice. Thanks and thanks for the snacks. (1 Count)
- Overall presentation was great. About the flier of the presentation could you mention the need to pay for parking. I had to go to the cafeteria, get change, return to the parking lot, get a parking permit, then I attended the workshop. Thanks. (1 Count)
- Very useful program! (1 Count)
- super job-thank you! (1 Count)
- I brought specific questions and had them answered promptly. I was able to have my own school list looked at and Mony gave me advise on how to improve our program. (1 Count)
