## Comments Report

**2.10) What other CTE workshops would you like to see in the future?**

- Microsoft Office in Excel, PowerPoint, Word, and Publisher (1 Count)
- Career Fair for middle school students. AB1802 in middle school counseling. (1 Count)
- I'd like to see a seminar that addresses the limitations of Career Cruising and ways in which educators can work around this. An example is the inability to export all students data from the Career cruising database in the form of a spreadsheet or doing mass imports of students with excel or something similar without paying \$100. (1 Count)
- Review of Career Cruising for 2009/2010 school year. (1 Count)

**2.11) Please write any other comments/suggestions you may have.**

- Career Cruising is a great resource for our at-risk population. Data based program that provides students with information about careers that they would most likely never have the opportunity to learn about. Open up a whole new world of opportunity. (1 Count)
- No suggestions. (1 Count)
- The presenter was knowledgeable and explained very good. This workshop helped me better understand how to use the administrator part. (1 Count)
- Workshop was very helpful. Plus first part was a review of the 1st workshop I attended in October. (1 Count)
