Comments Report

2.10) What other CTE workshops would you like to see in the future?

- Workshop on individual modules that each can be divided into with more department. (1 Count)
- Workforce development, business partners, ambition of academies (1 Count)
- Workshops on each specific industry sector in career pathways. would like one specifically on fashion and interior design and also arts, media, and entertainment. (1 Count)
- starting a career pathways program. (1 Count)
- How to start a strong program (basic steps). (1 Count)
- Share other school districts CTE program in the state of California. (1 Count)
- Nuts and bolts workshop for administrators. A workshop for secondary and post-secondary educators to write a POS which would align the curriculum and align it for articulation. (1 Count)
- It would be awesome to see industry and educators at the same table for CTE workshops. (1 Count)
- Career pathways for counselors. Change process (this one is probably the most critical as a foundation piece). (1 Count)
- Common POS-secondary/community college for demand industry jobs. (1 Count)
- Integration academics/CTE. Crosswalk of career clusters. (1 Count)
- Not sure but we'll keep my eyes open. (1 Count)

2.11) Please write any other comments/suggestions you may have.

- Keep doing what you are doing, CTE needs you. Loved the integration of the video throughout the workshop. (1 Count)
- Thank you for the CD. What a valuable resource. (1 Count)
- This training is incredible important and useful. CTE and the connections are so vital. I hope you offer more-I'll send others that need to understand it. Thank you. (1 Count)
- Lots of great info and resources. Food was awesome. (1 Count)
- There need to be more hands on activities, nothing worse than going to a workshop and have the presenter read the hand outs. (1 Count)
- Too much information. Overwhelmed by amount of information and conceptualization. Reduces content to something that approaches a greater list of awareness at the time of workshop. Workbook will be very helpful. (1 Count)
- I would like to see the Career Pathways curriculum binder redeveloped with all information for newer teachers. Any video/ dvds. Also a list of business, industry, community members who are willing to speak to CTE/Special Ed classes in regards to job information and requirements. This workshop explained many things about Career Pathways. Perhaps our district will do more. (1 Count)
- Sponsor video to promote career pathways. Libby and Ginger were excellent engaging and meaningful information/ resources. (1 Count)
- Loved the outgoing presentations but the group (action plan) work did not work well. Too big (the topics) not focused and many things most of us could not answer so nothing really learned. Need better focused group work with a real purpose. Needs to know where everyone works at the beginning to help us. (1 Count)
- Ginger and Libby were wonderful. It's obvious they invest a lot of time and energy to make their training worthwhile. I appreciate the wealth of information, the humor, and the incredible amount of resources provided. Outstanding training. Thank you! (1 Count)

- Thanks for a wealth of resources and information. A little overwhelming for a 2 day workshop, but well worthwhile. (1 Count)
- Pathways offer every other year. (1 Count)
- Make sure academies understand the importance of CTE, include middle school, stress the importance of teams from sites, etc.. to attend together. (1 Count)
- They were great! (1 Count)
