## Comments Report

**2.10) What other CTE workshops would you like to see in the future?**

- Green Building for Commercial Construction, Federal & State funding for green construction, LEED test prep (3 Counts)
- Holistic approaches-integrating and sustainability (1 Count)
- Tor Allen is a great presenter, bring him back. (1 Count)
- Anything that is demand (labor market) (1 Count)
- I would like to see a workshop geared toward teachers with focus on student competitors. The competitions should be academic or performance based. I think teachers would like to know more about competitions as a teaching technique test or idea. (1 Count)
- Computer program training and web site creation (1 Count)

**2.11) Please write any other comments/suggestions you may have.**

- Hands on examples to use right now (1 Count)
- Farm to school, community gardens, landscapes, USDA facility funding grants, school composting (1 Count)
- Electrical media instead of paper handouts. (1 Count)
- Outstanding discussions and methods of green energy and classroom concepts of green and emerging technologies. good classroom materials. (1 Count)
- Well run. Good speakers (1 Count)
- Thank you for offering training for construction technology teachers to keep us current on new and emerging green technology. (1 Count)
- I learned so much and having presentations that you can contact is great! (1 Count)
- Please announce to participate that all cell phones need to be turned off and that all phone calls/texting communicating should be done outside the room. Difficult to hear video when one teacher was calling a person on his phone. a lot of voice outside room with carts rolling back and forth. (1 Count)
