Comments Report
-----------------

---

2.10) What other CTE workshops would you like to see in the future?
---

- This was a great trip. I did not see a lot of solar energy applications. (1 Count)
- Digital media. Science Olympiad type problem solving exercises with groups of teachers, programs like suite case science, scavenging materials from the community, odyssey of the mind programs. (1 Count)
- Environmental science, green energy, agriculture. (1 Count)

2.11) Please write any other comments/suggestions you may have.
---

- Great well planned, food, bus-everything was great. The collaborative with State Center Consortium and CACT is vital to the CTE area for all programs. (1 Count)
- Enjoy the whole day. (1 Count)
- Need more time at the Maker Faire. (1 Count)
- Excellent workshop. Wish we had more time. Meet with other teachers and brainstorm. (1 Count)
- Great event! Must get more teachers involved. The individuals at this event love their work and that passion/excitement is evident. This type of engagement is what they need. I will be back next year. I plan to enter my son in some of the events. (1 Count)
- CTE workshops are very practical and informational. I learned a lot and this Maker Faire is so great. I learned a lot of new ideas. Thank you. (1 Count)
